REFERENCE

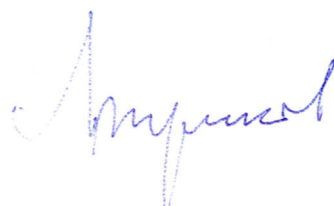

Since the entering of Sutherland Global Services on the Bulgarian territory MAXTEL Ltd. became our main partner. The technique they provide is in a great importance for the entire working process. We are extremely pleased with the professionalism and integrity they demonstrate through the project. We can always rely on quick delivery of goods and availability in stock. The prices meet our expectations and the volumes we need. Moreover, the warranty and post warranty service is perfect and colleagues respond within a very short notice.

To be able to react as quickly as possible on the requirements of our customers and to deliver quality service we need reliable partner. That's why we prefer to work with company - a proven leader on the Bulgarian market, such as MAXTEL LTD.

Kind Regards,

Lyubozar Trenkov
